Established in 2005, Infinity India is a trusted name in customized branding and printing solutions, known for its quality, creativity, and reliability. With nearly two decades of experience, we specialize in manufacturing premium flags, standees, bunting flags, promotional displays, and a wide range of customized fabric-based products designed to meet diverse business and personal needs.

Our journey has been driven by a passion for excellence and a commitment to delivering products that stand out. We cater to schools, corporate organizations, events, exhibitions, and retail businesses, offering solutions that combine durability with eye-catching design. Using advanced printing technology and high-quality materials, we ensure every product delivers vibrant colors, sharp detailing, and long-lasting performance.

At Infinity India, customer satisfaction is at the core of everything we do. Our team works closely with clients to understand their vision and transform it into impactful branding solutions. We pride ourselves on timely delivery, competitive pricing, and a transparent approach in all our dealings.

With a strong foundation since 2005, Infinity India continues to grow as a reliable partner for innovative and effective promotional products.

OUR FOUNDERS

**MR. SACHIN
CHAURASIA**

Mr. Sachin Chaurasia, the visionary founder of Infinity India, established the company in 2005 with a clear and powerful ambition – to build one of India’s leading manufacturing company in the soft signage industry.

With over **40+ years of rich experience in the market**, Mr. Chaurasia began his professional journey more than two decades before founding Infinity India. His deep-rooted industry knowledge, hands-on expertise, and forward-thinking mindset became the foundation of the company’s strong values and **growth**.

At a time when the market was heavily dependent on imported products, especially from China, he chose a path of self-reliance. Driven by a strong belief in Indian manufacturing, he initiated the production of every product within India itself, championing the spirit of **“MADE IN INDIA”**.

Mr. Hardik Chaurasia, Co-Founder of Infinity India, joined the business in 2020, continuing the strong legacy built by his father, Mr. Sachin Chaurasia. With a modern outlook and entrepreneurial mindset, he brought a fresh perspective to the company’s growth.

He played a crucial role in taking Infinity India into the **digital space, expanding its online presence**, and connecting the brand to clients across India and global markets. His focus on innovation, branding, and strategic expansion has helped elevate the company to new heights.

Combining new-age thinking with a strong manufacturing foundation, he is leading Infinity India towards a future of sustained **growth and global recognition**
